Notes to Loans & Guarantees

Loan interest rates will be made available upon request and will depend on circumstances including loan purpose, duration, borrower circumstances and risk profile.

In the case of GBP loans, interest rates will be set against Bank of England Base Rate, and in the case of other currencies against Trusted Novus Bank market funding rate.

Client will be responsible for valuation fees due to the independent surveyor used by the Bank and for legal fees incurred in connection with a mortgage including land registry, Notary and other legal fees. Details of these fees will be made available upon request.
